Bike park. Serfaus. Fiss. Ladis.

In the Bike park Serfaus-Fiss-Ladis, both beginners and pros have a great time, since the area has been specially designed for the needs of enthusiastic mountain biking families and for beginners in the gravity sport. The two-wheel paradise that opened in 2013 leaves no wishes unfulfilled.

Choose between freeride and downhill courses of various difficulty levels – just like the ski slopes with blue for easy, red for medium and black for difficult – the perfect challenge for almost every age group and level of ability. Right at the Waldbahn valley station, young bikers can practise their balance and coordination on a kid-friendly practice area with mini-banked turns and small obstacles.

Anyone who wants to improve their style in the air with a low risk while training can use the Landing Bag. In our bike shop, at the bottom station of the Waldbahn, bikers can find everything their heart could desire, including top bikes and the necessary protective equipment. Your bike will be in good hands in our workshop. Whether you have a breakdown or your bike needs servicing – our professional mechanics will take good care of your bike.

For the 2026 season, several changes have been planned in Serfaus-Fiss-Ladis. So you have something to look forward to: Ride on!
